V. Summary of Action Taken by Promulgating Agency

The Board of Medical Imaging and Radiation Therapy reviewed the comment and, as a result, is amending the administrative regulation as follows:

**Section 1(5)**

**Line 2**

After “Verification of successful completion”, insert the following:

a program in radiography, nuclear medicine technology, radiation therapy, that has achieved and maintained programmatic accreditation recognized by the board as described in 201 KAR 46:030.

**Line 4**

And the new insertion, delete the following:

“appropriate educational program”.
